

Airport lounge access around the world

VISA anb credit cards offer our customers complimentary access to over 1,200 international airport lounges worldwide via the new Visa Airport Companion App in collaboration with DRAGONPASS

From 1 October 2024, you can access global airport lounges using this app. All you need to do is download the app and log in with your eligible card to avail lounge access benefits linked to your card type. You can also view lounge locations, check the number of accesses remaining per year, and determine eligibility for additional access.

Steps to use the app to enjoy airport lounge access:

- Download the Visa Airport Companion app.
- Start the registration process by clicking on the login icon.
- Enter your ANB card details and select the country of issue "Saudia" then click on "Continue".
- Wait a moment to validate the card with a zero USD withdrawal.
- The verification code will be sent to your authorized mobile number, enter the code and press "SUBMIT".
- Enter your personal information and agree to the terms and then click "Continue".
- Confirm your contact details by clicking "Yes" or "No" to update the information.
- Create a password to use when accessing the app

Registration Successful

Entry Requirement:

The minimum amount for one international transaction to eligibility is USD 1 for POS transactions, online purchases or repeat transactions outside KSA; it may take up to 15 days to register with Visa Airport Companion after purchase.

Search for participating airport lounges:

Through the "Explore" icon from the home page. Select the available airport and terminals and select the desired lounge Click on "Access without prior reservation". Digital membership will be issued, show your digital membership upon arrival at the airport to access the lounge.
