

REVIEW REPORT

To the Shareholders of Arab National Bank
(A Saudi Joint Stock Company)

We have reviewed the accompanying interim consolidated balance sheet of Arab National Bank (the "Bank") and its subsidiary as of 30 June 2008, and the related consolidated statement of income for the three-month and six-month periods ended 30 June 2008 and the consolidated statements of changes in shareholders' equity and cash flows and the notes from 1 to 11 for the six-month period then ended. We have not reviewed note 12, nor the information related to "Basel II disclosures" cross-referenced therein, which is not required to be within the scope of our review.

Management's Responsibility for the Consolidated Financial Statements

These interim condensed consolidated financial statements are the responsibility of the Bank's management and have been prepared by them in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency ("SAMA") and with International Accounting Standard No. 34 "Interim Financial Reporting" and submitted to us together with all the information and explanations which we required.

Scope of Review

Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

We conducted our review in accordance with generally accepted standards in Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410. A review consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim condensed consolidated financial statements for them to be in conformity with applicable Accounting Standards for Financial Institutions issued by SAMA and with International Accounting Standard No. 34.

Other Regulatory Matters

As required by SAMA, certain capital adequacy information has been disclosed in Note 10 of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in Note 10 to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

ARAB NATIONAL BANK – Saudi Joint Stock Company
Notes To The Interim Condensed Consolidated Financial Statements
For the six months ended June 30, 2008 and 2007
(SAR'000)

1. General

Arab National Bank (a Saudi Joint Stock Company, the Bank) was formed pursuant to Royal Decree No. M/38 dated Rajab 18,1399H (June 13, 1979). The Bank commenced business on February 2, 1980 by taking over the operations of Arab Bank Limited in the Kingdom of Saudi Arabia. The Bank operates under Commercial Registration No. 1010027912 dated Rabi Awal 1, 1400H (January 19, 1980) through 125 branches (2007: 121 branches) in the Kingdom of Saudi Arabia and one branch in the United Kingdom. The address of the Bank's head office is as follows:

Arab National Bank
P.O. Box 56921
Riyadh 11564
Kingdom of Saudi Arabia

The objective of the Bank is to provide a full range of banking services. The Bank also provides its customers non-interest based banking products which are approved and supervised by an independent Shariah Board established by the Bank.

In accordance with the Capital Market Authority directives, the Bank has established a wholly owned subsidiary (directly and indirectly) "ANB Invest", a Saudi limited liability company to takeover and manage the Bank's investment services and asset management activities related to dealing, managing, arranging, advising and custody of securities regulated by the Capital Market Authority. The subsidiary commenced its operations effective on Muharram 3, 1429H (corresponding to January 12, 2008). Accordingly, the Bank started consolidating the financial statements of the above mentioned subsidiary effective January 12, 2008.

2. Basis of preparation

These interim condensed consolidated financial statements are prepared in accordance with the accounting standards for financial institutions promulgated by the Saudi Arabian Monetary Agency (SAMA) and IAS 34 – Interim Financial Reporting. The Bank also prepares its interim condensed consolidated financial statements to comply with the Banking Control Law and the Regulations for Companies in the Kingdom of Saudi Arabia.

The interim condensed consolidated financial statements should be read in conjunction with the annual financial statements for the year ended December 31, 2007.

These interim condensed consolidated financial statements are expressed in Saudi Arabian Riyals (SAR) and are rounded off to the nearest thousands.

Basis of consolidation

The interim condensed consolidated financial statements comprise the interim consolidated financial statements of the Bank and its subsidiary collectively referred to as (the Group). The financial statements of the subsidiary are prepared for the same reporting year as that of the Bank, using consistent accounting policies. Adjustments have been made to the financial statements of the subsidiary when necessary to align them with the Bank's financial statements.

Subsidiaries are all entities controlled by the Bank. Control exists when the Bank has the power to govern the financial and operating policies so as to obtain benefits from their activities, generally accompanying an ownership interest of more than one half of the voting rights.

Subsidiaries are consolidated from the date on which control is transferred to the Bank and cease to be consolidated from the date on which the control is transferred from the Bank. The results of subsidiaries acquired or disposed of during the year, if any, are included in the consolidated statement of income from the effective date of acquisition or up to the effective date of disposal, as appropriate.

2. Basis of preparation (continued)

Balances and any unrealised gains and losses arising from transactions between the Bank and its subsidiary are eliminated in preparing the interim consolidated financial statements. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

3. Accounting policies

The accounting policies adopted are consistent with those followed in the preparation of the Bank's annual financial statements for the year ended December 31, 2007.

4. Investments, net
