Management's Responsibility for the Interim Condensed Consolidated Financial Statements

These interim condensed consolidated financial statements are the responsibility of the Bank's management and have been prepared by them in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency ("SAMA") and with International Accounting Standard No. 34 "Interim Financial Reporting" and submitted to us together with all the information and explanations which we required.

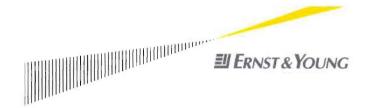

Scope of Review

Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

We conducted our review in accordance with generally accepted standards in Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410. A review consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim condensed consolidated financial statements for them to be in conformity with applicable Accounting Standards for Financial Institutions issued by SAMA and with International Accounting Standard No. 34.

Deloitte & Touche Bakr Abulkhair & Co. Deloitte.

Other Regulatory Matters

As required by SAMA, certain capital adequacy information has been disclosed in note (10) of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note (10) to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

Arab National Bank (a Saudi Joint Stock Company, the Bank) was formed pursuant to Royal Decree No. M/38 dated Rajab 18,1399H (June 13, 1979). The Bank commenced business on February 2, 1980 by taking over the operations of Arab Bank Limited in the Kingdom of Saudi Arabia. The Bank operates under Commercial Registration No. 1010027912 dated Rabi Awal 1, 1400H (January 19, 1980) through 139 branches (2009: 140 branches) in the Kingdom of Saudi Arabia and one branch in the United Kingdom. The address of the Bank's head office is as follows:

Arab National Bank P.O. Box 56921 Riyadh 11564 Kingdom of Saudi Arabia

The objective of the Bank is to provide a full range of banking services. The Bank also provides its customers non-interest based banking products which are approved and supervised by an independent Shariah Board established by the Bank.

The interim condensed consolidated financial statements comprise the financial statements of the Bank and the following subsidiaries:

Arab National Bank Investment Company (ANB Invest)

In accordance with the Capital Market Authority directives, the Bank has established a wholly owned subsidiary (directly and indirectly) "ANB Invest", a Saudi limited liability company, registered in the Kingdom of Saudi Arabia under commercial registration No. 1010239908 issued on 26 Shawal 1428H (corresponding to November 7, 2007), to takeover and manage the Bank's investment services and asset management activities related to dealing, managing, arranging, advising and custody of securities regulated by the Capital Market Authority. The subsidiary commenced its operations effective on Muharram 3, 1429H (corresponding to January 12, 2008). Accordingly, the Bank started consolidating the financial statements of the above mentioned subsidiary effective January 12, 2008.

Arabian Heavy Equipment Leasing Company (AHEL)

A 62.5% owned subsidiary incorporated in the Kingdom of Saudi Arabia, as a Saudi closed joint stock company, under commercial registration No. 1010267489 issued in Riyadh dated 15 Jumada 1, 1430H (corresponding to May 10, 2009). The company is engaged in leasing of heavy equipments and operating in compliance with Shariah principles. The Bank started consolidating the subsidiary's financial statements effective May 10, 2009, the date the subsidiary started its operations.

2. Basis of preparation

These interim condensed consolidated financial statements are prepared in accordance with the accounting standards for financial institutions promulgated by the Saudi Arabian Monetary Agency (SAMA) and IAS 34 – Interim Financial Reporting. The Bank also prepares its interim condensed consolidated financial statements to comply with the Banking Control Law and the Regulations for Companies in the Kingdom of Saudi Arabia.

The interim condensed consolidated financial statements do not include all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the annual consolidated financial statements for the year ended December 31, 2009.

These interim condensed consolidated financial statements are expressed in Saudi Arabian Riyals (SAR) and are rounded off to the nearest thousands.

ARAB NATIONAL BANK – Saudi Joint Stock Company Notes To The Interim Condensed Consolidated Financial Statements (continued) For the nine months ended September 30, 2010 and 2009 (SAR'000)

2. Basis of preparation (continued)

Basis of consolidation

The interim condensed consolidated financial statements comprise the interim condensed financial statements of "Arab National Bank" and its subsidiaries, ANB Invest and AHEL collectively referred to as (the Group). The financial statements of the subsidiaries are prepared for the same reporting year as that of the Bank, using consistent accounting policies. Adjustments have been made to the financial statements of the subsidiaries to align them with the Bank's financial statements.

Subsidiaries are all entities over which the Bank has the power to govern the financial and operating policies, so as to obtain benefits from their activities, generally accompanying an ownership interest of more than one half of the voting rights.

Subsidiaries are consolidated from the date on which control is transferred to the Bank and cease to be consolidated from the date on which the control is transferred from the Bank. The results of subsidiaries acquired or disposed of during the period, if any, are included in the interim consolidated income statement from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Non-controlling interests represent the portion of net income and net assets not owned, directly or indirectly, by the Bank in its subsidiary and are presented separately in the interim consolidated income statement and within equity in the interim consolidated statement of financial position, separately from parent shareholders' equity.

Balances and any unrealised gains and losses arising from transactions between the Bank and its subsidiaries are eliminated in preparing the interim condensed consolidated financial statements. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

3. Accounting policies

The accounting policies used in the preparation of these interim condensed consolidated financial statements are consistent with those used for the year ended December 31, 2009, except for the adoption of amendments to the existing standards, as mentioned below:

- IAS 27 (revised), Consolidated and separate financial statements
- IAS 39 (amendment), Financial instruments Recognition and measurement Eligible hedged items
- IFRIC Interpretation 18, Transfers of Assets from Customers

The above amendments to existing standards and interpretations are effective for 2010 but adoption of these will not have a material impact to the Group's interim condensed consolidated financial statements.

The notional amounts, which provide an indication of the volumes of the transactions outstanding at the end of the period, do not necessarily reflect the amounts of future cash flows involved. These notional amounts, therefore, are neither indicative of the Bank's exposure to credit risk, which is generally limited to the positive fair value of the derivatives, nor to market risk.
